Duties

This position will likely be used as a contract placement. Will work with customer onsite with higher level engineers available to help remotely or onsite if needed. Must possess solid people skills. Must be able to work at times with very limited supervision. There will be very minimal sales work involved, nothing more than proposing solutions to customers while onsite.

Must be able to work with celebrity clients in confidence.

About MSCNS

Foundation for Independent Living dba Mountain State Computer and Network Solutions is a registered 501(c)(3) non-profit entity. MSCNS delivers high quality IT products and services to a wide range of home and business users. The profits of MSCNS go to help fund services for people with disabilities.

We are the developers of the Heads Up line of emergency notification mobile apps (Huntington, Beckley/Raleigh, Hancock). We have over 400 active clients in Kentucky, Ohio, and West Virginia.

Send or bring resumes to the address listed above. You may also email them to the following address: bjohnson@mscns.com
